The 11th International Summit Forum of Manganese Electrolytic Products Market and the 16th International Manganese Institute EPD China Conference hosted by the International Manganese Institute, the National Manganese Industry Technical Committee, the National Electrolytic Manganese Plant Director (Manager) Association, and the National Electrolytic Manganese Dioxide Plant Director (Manager) Association will be held in Zhangjiajie, Hunan Province from March 6th to 8th, 2019.

Local and international experts from the manganese industry, peers and representatives from upstream and downstream enterprises will gather together to analyze and discuss how to achieve high-quality development of the manganese industry in the new era.

1. **Time and place**
2. March 6, 2019 (Wednesday) – Check In
   March 7th (Thursday) – full day conference
   March 8 (Friday) – technical visits
   Place: Country Garden Hotel Zhangjiajie (Banping Village, Shadi Township, Yongding District, Zhangjiajie City, Hunan Province, Tel: 0474-8608888)

3. **Topics**
   
   (1) Resource utilization of electrolytic manganese slag in building materials (Professor-level senior engineer of China Building Materials Research Institute: Fang Jingrui)
   (2) Retrospect and prospect of EMM (Chairman of International Manganese Institute EPD: Li Weijian)
   (3) Analysis of stainless steel market (General Manager of Beihai Chengde Company: Huang Qingzhou)
   (4) Retrospect and prospect of EMD (National Electrolytic Manganese Dioxide Plant Director (Manager) Association: Li Tongqing)
   (6) Application and industrialization of new processes, new technologies and new equipment for EMM (President of National Electrolytic Manganese Plant Director (Manager) Association: Tan Zhuzhong)
   (7) Analysis of the international manganese industry market (Executive Director of the International Manganese Institute: Aloys d'Harambure)
   (8) Relationship between the development of high-purity manganese sulfate and power battery (Chairman of Guizhou Dalong Huicheng New Materials Co., Ltd.: Peng Tianjian)
   (9) Current Status of China's Manganese Ore Production under the New Policy of Safety and Environmental Protection (Secretary of the National Manganese Enterprise Owner (Manager) Association: Zhan Haiqing)
4. Others

(1) **Conference fee**
Registration before January 30, 2019 (including), domestic representative 2,500 yuan / person, foreign representative: 700 US dollars / person.
The conference fee includes venue fees, information fees, meals, photography, etc.

(2) **Stand**
In order to provide a platform for communication and promote cooperation between the parties, this conference will set up booths during the conference, with a stand fee of 5,000 yuan (the exhibitor includes a conference delegate). If you are not a sponsor or exhibitor, you will not be allowed to distribute promotional materials at the venue. The deadline for registration is January 30, 2019. Stands are limited and available on a first come, first served basis.

(3) **Technical Visit**
The meeting includes a technical visit to the production base of Guizhou Wuling Manganese Industry Co., Ltd. and Hunan Dongfang Mining Co., Ltd., in Zhangjiajie on March 8th. Participation fee for domestic delegates is 450 yuan/person, and 100 US dollars/person for foreign delegates. The fee includes transportation, lunch and dinner on March 8, other expenses are at own cost.

5. **Contact information:**
Conference hotline: 0731-88883518 (Changsha); 0771-5556555-8620 (Nanning)
Conference contact emails: tanliqun2003@aliyun.com; zll@citicdameng.com
Registration contact:
Zhang Zhaohui  13874983116  100730508@qq.com
Zhang Liangliang  15994367077  zll@citicdameng.com

6. **Organizers and Co-organizers:**
(1) **Organizers**
- CITIC Dameng Mining Co., Ltd.
- Shenyang Bangpin Trading Co., Ltd.
- Hunan Jiufeng International Commodity Spot Trading Market Co., Ltd.
- International Manganese Institute China Committee
- Guangxi Manganese Industry Association

(2) **Co-organizers**
- Jingjin Environmental Protection Co., Ltd.
ANNEX: TRANSPORTATION INFORMATION

1. By plane:

Zhangjiajie Hehua International Airport is about 20km away from the hotel.

- Either take a taxi to Zhangjiajie City Center Bus Station (about 5 minutes and 10 yuan), then take the public bus from Zhangjiajie City to Wulingyuan Scenic Area/Forest Park Scenic Area to the hotel (about 25 minutes and 7 yuan);

- Or takes a taxi directly from the airport to the hotel for about 30 minutes and costs around 100 yuan.

2. By train:

- The bus station is near the railway station. You can walk 3 minutes ahead to the left to the bus station after exiting the train station, then take the public bus from Zhangjiajie city to Wulingyuan Scenic Area/Forest Park Scenic Area to the hotel (about 40 minutes and 7 yuan);

- Or take a taxi from Zhangjiajie Railway Station to the hotel for about 30 minutes and 100 yuan.
