

Paris, May 23, 2018

The International Manganese Institute (IMnI) is a not-for-profit industry association that represents manganese ore and alloy producers, manufacturers of metallurgical products or chemical compounds, trading houses, industry service providers, companies involved in Mn business development, universities and research organizations around the world.

Founded in 1975, with headquarters in Paris, France, IMnI's mission is to provide vision and guidance to the Mn industry by promoting economic, social and environmental responsibility and sustainability to all stakeholders.

IMnI does not represent or warrant that this website, the products, documents, or any materials provided here through will be free of defects, uninterrupted, accurate, complete, current, stable, or available at any time. This website and any products, documents, and any materials provided by IMnI through this website may be modified or discontinued at any time by IMnI.

PRIVACY POLICY

This page informs you of our policies regarding the collection, use and disclosure of your Personal Information (data). By using the Site, you agree to the collection and use of information in accordance with this policy.

What kind of data do we collect?

We collect the information you provide. The data can include your organization's name, job title, first name, last name, telephone number, billing address, e-mail, photo, bio (if you are a member of one of our committees or a speaker at one of our events). We generally collect information directly from you.

How do we use this data?

We will use your email address to send you newsletters and any other information we believe to be of interest or value to you.

Do we share this data?

We are not in the business of selling, renting or trading email lists with other companies and businesses for marketing purposes and will not disclose it to any third party unless required to by law.

How can you stop us using this data?

You may unsubscribe from the newsletters at any time by contacting us via email and asking to be removed from the list. You can also click unsubscribe at the bottom of any newsletter.

What is a 'cookie' and do we collect them?

Cookies are designed to allow the website to recognize its users on subsequent visits and are automatically generated. You can instruct your browser to refuse all cookies. IMnl does not use information generated by cookies.

Our security policy

The security of your Personal Information is important to us, but no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Our communications policy

By signing up to IMnl newsletters, you agree for us to use your Personal Information to contact you with newsletters and any information we deem pertinent to our contacts.

Changes to our Privacy Policy

This Privacy Policy is effective as of 23/05/2018 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy. If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a notice on our website.
